Bishop Noll

Our school, known as "Catholic Central" for twenty-seven years, was dedicated to our Bishop, John Francis Noll, in October, 1947. Through his generosity the new addition was built. We are proud to bear the name of a man so distinguished in the work of Christ and His Apostles.

Senior History

On that fall morning almost four years ago, we all stood around the gym wondering what the future held for us here at Bishop Noll High School. About 9 o'clock we took our places in the gym where Father Junk told us what was to be expected of us in the future.

With four of us sharing a locker, the first year was rather difficult. However, that year also had its gay moments, such as the football and basketball games and the amateur shows.

On returning as Sophomores we were glad to find the new building ready for use. It was during our Sophomore year that the National Honor Society was organized. It was also during this year that we had our first try in the literary field with the publication of the *MAGNIFICAT*. As Juniors we edited the *WARRIOR*, and finally as Seniors, the *MARQUETTE*.

In the beginning of our Junior year the Student Council was organized to promote a better relationship between the students and the faculty. Its biggest project was the magazine drive, the proceeds of which were to help beautify the grounds.

This year the Student Council, under the able leadership of Bob Austgen, is again doing the best in its power to improve our school.

For those in the Choral Club this has truly been an eventful year. Their most important activity was the presentation of the operetta, the "Mikado." Now, as we look back at the happy times that we have had, it is not easy to say good-bye to the school where we have spent so much of our time. For during these years we have greatly increased our knowledge and have gained a small part of the wisdom which we will need in the years before us. It is now our duty when going out into the world to make use of our Catholic education, and by our good example to work for the greater honor and glory of God.

VALEDICTORIAN

ROBERT AUSTGEN

Bob Austgen, a graduate of St. Victor grade school, Calumet City, is to be congratulated upon receiving the honor of Valedictorian. Not only was Bob a member of the National Honor Society, Bi-Phy-Chem, Choral Club, and President of the Student Council, but he also participated in football for four years. After graduation, Bob will attend Notre Dame College, Notre Dame, Indiana, where we know he will continue the fine work characteristic of him.

SALUTATORIAN

MARILYN AUSTGEN

Marilyn Austgen, a graduate of St. Joseph grade school, Hammond, has attained the honor of salutatorian as the highest ranking girl of our class. Here at Noll, Marilyn participated in many activities. She was a member of the National Honor Society, Bi-Phy-Chem, Tri-Opus, Quill & Scroll, Marquette, and many other school clubs. Marilyn accepted the scholarship to St. Mary's College, Notre Dame, where she plans to major in speech.

The Scenes

Bi-Phy-Chem Club

This organization of all science classes — Biology, Chemistry, and Physics — has prospered under its new sponsor, Sister M. Rasalia.

Every spring a Science Fair is held in which the students display projects in their particular field of study. Aside from this, other activities are sponsored including an annual trip to the Museum of Science and Industry.

Senior-Junior Members of the Club.

OFFICERS: J. Corriden, J. Hornak, E. Powell, D. Blaney.

Sophomore Members of the Club.

Student Council

Going into its second year as an organized body, the Student Council has already accomplished many worthwhile projects for the school as well as for the students. This year the Student Council initiated a system whereby the entire student body participated in the direction of the annual Winter Formal under the leadership of the main council.

Its sponsor, Mr. Ciszczon, and the Student Council have delved into the problems of the students and have helped them to carry on their education with less conflict.

Tri-Opus

Since 1940, The Tri-Opus has flourished under the guidance of Sister M. Holy Innocents. Ever since its first meeting ten years ago, it has been one of the most successful clubs at Noll. In order to be a member of the Tri-Opus, it is necessary to obtain an above-average mark in one of the commercial subjects.

We are sure that the Tri-Opus will continue to grow in success.

Prop and Publicity

The Prop and Publicity, which was organized in the fall of 1948, has the responsibility of advertising all the games, club dances, and other social events of the school. The chief interest of the club members is to put Noll on the map by means of publicizing it in every way. Through the tireless efforts of Miss Walsh, its faculty director, and its members, we know that Prop and Publicity will reach the top.

PROP AND PUBLICITY OFFICERS

M. Bihlman, I. Prokocki, P. Partyka, N. J. Kretz, T. Senese.

NATIONAL HONOR SOCIETY OFFICERS

G. Smolar, D. Overack, P. Burns, C. Klein.

National Honor Society

Noll High is proud of its Morynoll chapter of the National Honor Society. In order to be eligible for membership a student must be in the upper third of the class and must be outstanding in character, service, and leadership as well.

This year the standards of the monitor system were raised when Honor Society members were chosen to be monitors. For their annual project, the Honor Society obtained new bulletin boards for the corridors.

An active organization known throughout the school is the Junior Red Cross. It is represented by many members of the student body, although the entire school plays an active part.

Marquette Staff

The 1950 MARQUETTE, under the direction of Miss Kijowski and Miss Coleman, is a combination of Noll's photographic, literary, artistic, and business ability.

Through the MARQUETTE, the Senior class has a true record of high school days from the Freshman year to the Senior year.

May the "littest" Freshman to the "biggest" Senior enjoy this MARQUETTE as much as the staff enjoyed publishing it for them.

WARRIOR EDITORS

J. Vargo, J. Hicks.

Warrior

Mothers' Club

The Mothers' Club has been doing much to co-ordinate activities between the Mothers and the student body. The Mothers have been very successful in their many projects throughout the year. This was due to the fine cooperation of the members with their President, Mrs. Charles O'Drobinak.

Men's Club

The Men's Club has had great success in its activities under the supervision of its President, Mr. Samuel Cera.

The Athletic Banquet, which is sponsored annually by the Men's Club, proved to be a great success. Mr. Raymond Eliot, the guest speaker, gave an interesting speech on "The Will to Win."

Band

Nall's third annual Spring Concert, under the direction of Mr. Sarvello, featured outstanding soloists of both the Band and the Orchestra. A sparkling arrangement of "Dry Bones" was given by the Band. The Band and the Orchestra played the famous army arrangements of Paul Yoder. From the bleachers we frequently heard "Pop Gaes the Weasel" and other spirited tunes. It was Nall Central's Band which has done much to help promote school spirit by playing at the football games.

Early in January as we passed the gym, we heard oriental music and wondered who was playing it. Later we learned that it was the Orchestra practicing for the operetta, the "Mikado." It took many hard hours of practice but it was well worth their efforts.

Junior Choir

The Junior Choir, directed by Sister M. Xavier Therese, showed the Christmas spirit of Noll by caroling at the Sisters' Chapel and Saint Catherine's Hospital. The Junior Choir also sang in the "Spring Concert."

Senior Choir

This year's Senior Choir, under the direction of Father Melevage, ranks as one of the best choir groups in the history of our school.

Besides singing in the "Spring Concert" and over the radio, the Senior Choir climaxed its highly successful year with the operetta, the "Mikado", which is probably one of the best known of the Gilbert and Sullivan productions.

Noll 0 Evansville Reitz Memorial 20

The Warriors traveled 300 miles to meet mighty Evansville. Fumbles and faulty pass defense cost the Warriors another game.

Noll 6 Spaulding 13

Hampered by injuries to Costa and Stimpel, the Warriors went down to defeat again. Tresnowski sprinted 66 yards for the Warriors' only score.

Noll 19 Louisville Floget 6

Homecoming — Mud-victory. First quarter — Austgen passed to Pazera for touchdown. Floget then registered to even the score. Third quarter — Mach sprinted 20 yards to pay dirt. Fourth quarter — Stimpel plunged over from 2-yard line to end the game. Louisville went on to become State champs of Kentucky.

Noll 0 Thornton Fractional 14

Fractional scored on a long pass in the opening minutes. In the fourth quarter they scored again from 2 yards out. Poor defensive play marked another defeat for Noll.

Noll 14 Vocational 6

The Warriors ended their season by a stunning upset victory over a powerful Chicago Vocational squad. Second quarter — Stimpel ran for 89 yards to score a thrilling touchdown. Mach sprinted 30 yards around end for the final score.

Noll football fans can look back on a fine season under the coaching guidance of Karl Huffine and his assistants in their first year at Noll. The Warrior varsity will lose 14 boys through graduation. These graduating seniors remember four years of hard work that has benefited them. They leave behind them a fine spirit of team work and cooperation that will live forever in the annals of sports at Bishop Noll High School.

Basketball '49-'50

Plenty of spirit, fight, and sportsmanship defines the Warrior five representing the Blue and Gold on the hardwood. Guided by Coach Ed Hudson, the Warriors concluded the season with a record of 10 wins and 9 losses. Leading the attack were the only two seniors on the squad, our "Mutt" and "Jeff" combination of Bob Schillo and George Smolar, aided without a doubt by our returning lettermen: John O'Keefe, Jerry Stupeck, Willie Molotestnich, Phil Susic, "T. J." Jarmakawicz, Chuck Levonduski, Dan Ravai, and Ronnie Wolters. With the fine tutoring of our coaching staff the Warriors should be well represented in years to come.

We Three

Seeing much, suffering much, and studying much, are the pillars of learning.

Benjamin Disraeli

To become an able man in any profession, there are three things necessary: Nature, Study, and Practice.

Aristotle

We think according to nature; we speak according to rules; we act according to custom.

Francis Bacon

Good breeding is the result of much good sense, same good nature, and a little self-denial.

Lord Chesterfield

Self-reverence, self knowledge, self-control; these three alone lead life to sovereign power.

Alfred Lord Tennyson

I am not afraid of tomorrow, for I have seen yesterday, and I love today.

William Allen White

Some read to think, these are rare; some to write, these are common; some to talk, these are the majority.

Charles C. Colton
